## **Two Added Covid-19 Related Death in Stillwater County**

**November 30, 2020 – Columbus, Montana.** Stillwater County reports two more COVID-19 related death in Stillwater County, bringing our total deaths to six.

Both individuals were males, one in their 70's and one in their 80's, who passed away from complications of COVID-19.

Dr. Cody White, Stillwater County Public Health Medical Director stated, "Our heart-felt condolences go out to the families of these patients. We are experiencing a growth in active cases and it's imperative that we all do our part. We will continue to do everything we can to help our patients and we urge full community support and assistance in slowing this virus."

Stillwater County Public Health wants to remind our community about the importance of staying at home when sick, washing hands frequently, safe physical distancing, and wearing masks when in public spaces. As community members, family, and friends, we must all work together to protect our most vulnerable individuals.

Out of respect for the family, no further details will be released.
